OTHER ACRL-OREGON CHAPTER NEWS:

Collection Development Task Force

Members of ACRL interested in serving on a Task Force on Collection Development are urged to call Pam Horan at the University of Portland Library (283-7111). The task force will serve as a focal point for programs to encourage, solicit, collect, and lend collection development statements, policies and other materials. It will also act as a repository for statements, guidelines, bibliographies, etc., and lend them to requesting libraries as a means of furthering resource sharing in the Northwest.

The recent purchase of a \$4500 two volume set of the Vatican frescoes of Michaelangelo by the University of Portland and a group of NAPCU libraries (as reported in the latest issue of OLA News) provides a good example of cooperative collection development.

ACRL ... NATIONAL ITEMS

NATIONAL MEMBERSHIP

As of February, 1981, the Oregon Chapter of ACRL included 77 national members. This is up from 67 members in 1980. Each person who becomes a national member of ACRL benefits the Oregon Chapter directly -- the chapter receives \$1.50 back from the national office for each national member in the state.

If you are not already an ALA member, this is a particularly good year to become a member of ACRL because ALA is offering a special half price rate for new ALA members. ALA membership is a prerequisite for national membership in ACRL. Contact Virginia Seiser (PSU Library, P.O. Box 1151, Portland, OR 97207, or call 229-3684) for an application form and additional information.

National ACRL members receive free subscriptions to College and Research Libraries and C&RL News, reduced rates on ACRL's Fast Job Listing Service, and reduced registration fees at ACRL conferences and workshops.

NATIONAL CONFERENCE

The ACRL Second National Conference, "Options for the 80's," will be held in Minneapolis October 1-4, 1981. There has been interest expressed among the Oregon and Washington Chapters in sponsoring a charter flight or chartering a rail road car to the Minneapolis conference. A charter would reduce travel costs as well as providing a pleasant travel alternative. To decide whether the idea should be pursued, we need your feed back. Please take the time to respond to this brief questionnaire and return it by April 30 to Virginia Seiser, PSU Library, P.O. Box 1151, Portland, OR 97207.
