

## SEATTLE CONFERENCE TOPS LIST OF MEETINGS FOR ACADEMIC LIBRARIANS

ACRL's Third National Conference April 4-7, 1984 in Seattle is the first in what will be a full year of events for academic librarians in the Northwest. The conference theme is "Academic Libraries: Myths and Realities". Volunteers to help staff a chapter booth are still welcome. A volunteer's form appears elsewhere in this issue. Or interested members may contact Vicki Kreimeyer at Lewis & Clark College (244-6161, x407).

## Other meetings of interest:

- April 11-14 Oregon Library Association annual conference at Rippling River Resort near Mt. Hood. Conferees should not miss the annual ACRL-sponsored Academic Breakfast Friday at 7:30 am. The speaker will be Douglas Ferguson, who has recently been appointed director of the Library and Information Resources for the Northwest program of the Fred Meyer Charitable Trust. Mr. Ferguson will only recently have arrived from his position as Head of Systems for the Stanford University Libraries, so this will be one of his first opportunities to address Northwest librarians in his new role.
- May 11 ACRL/Oregon Board meeting, 10:00, at Willamette University.
- August 22-24 Pacific Northwest Library Association 1984 Conference, Billings, Montana. Conference theme: "High-Tech: High Touch".
- October 25-26 ACRL/Oregon/Washington joint annual conference at Menucha Conference Center (near Corbett, OR). This one will be in the tradition of fine joint chapter conferences of the past, but even better yet. A variety of concurrent sessions will examine aspects of the conference theme: "Connecting Academic Libraries with the Future". It's worth marking your calendar for this. (Yes, there will be a party.)

## TAX-EXEMPT RULING FOR ACRL/OREGON

The Internal Revenue Service in January notified the chapter that we are "exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code". The significance of this ruling is that the chapter may now tell potential grantors or donors that their contributions are tax deductible. This should make it easier for the chapter to attract support for future programs and activities.

## MEMBERSHIP

Total paid-up membership in ACRL/Oregon is now at 55. Lapsed or potential new members may get on board by using the convenient form printed elsewhere in this newsletter. The newsletter mailing list has not yet been adjusted to pare away the delinquents, so there is still time to renew and not miss a single issue.
