MENUCHA OCTOBER 23-24th

Put it on your calendars: this year's joint Oregon/Washington ACRL Chapter Fall Conference will be held at the Menucha Conference Center on October 23th and 24th. The conference theme will be 'Computers and the Human Spirit' - read Sherry Turkle's book 'Second Self; Computers and the Human Spirit' (Simon & Schuster, 1985) to get yourself in the mood.

The keynote speaker will be Ruth-Ellen Miller, director of the Cybernetic Systems Program at San Jose State University. Dr. Miller is billed as a 'social systems scientist' or 'biocyberneticist'. She has a decade of experience in the practice, teaching and development of the theory of social systems design/analysis and futures research. Her work in the Pacific Northwest includes assessments of hydroelectric technologies, potential Latin American markets, the criminal justice system, and emerging work/career patterns, as well as library information systems. She has a doctorate in systems science from Portland State University and has taught at PSU and at Marylhurst.

In addition to the keynote speaker the board is trying to organize a visit from a national ACRL officer. Contributed papers were solicited from the conference and letters of intent have been received from nine prospective speakers. The remainder of the program will be woven around these contributed papers and the discussions they promote. There will also, of course, be time for a party, walks around the Menucha grounds and socializing.

Plan to be there!

Dear ACRL/Oregon members,

On May 9, 1986, at the last meeting of the Advisory Board, I officially resigned from the position of chapter president. As many of you know, my husband has been in graduate school in Indianapolis this past year. The separation has been harder than I anticipated, so I have decided to join him in the midwest. I have accepted a position at the Indiana Historical Society Library and also plan to begin a masters degree in U.S. history.

My work with ACRL/Oregon over the last five years has been wonderfully rewarding. It has been a great source of professional and personal growth and satisfaction. I regret that the timing is such that I am unable to complete my term of office. However, the chapter leadership is strong and I am confident that the early transition to new officers will be smooth.

I am most grateful to the chapter for the opportunities it has provided me. I will think of you frequently, especially on October 23rd and 24th, and watch for news of Oregon in C & RL News.

Sincerely,

Rebecca Thompson

"LIBRARY CONGRESS"

On May 17 the OLA Reorganization Task Force hosted a Library Congress to find out if other members of the library community shared their vision of cooperation and communication.

The consensus of the meeting was that an ad hoc committee, consisting of the Task Force plus additional representatives from the various library organizations, continue to pursue the idea of an umbrella organization with a proposal and time line ready for the organization boards by September 15 and with board reactions due back by November 1. Other goals are to ask each group to join and financially support such activities as hiring a lobbyist by 1/7/87 and, starting now, to merge all similar committees.

Nancy Powell, Maureen Seaman, Terry Soohoo, and Connie Battaile attended from Oregon ACRL. Each of them has a copy of the report of the meeting if you would like more information.

ADVISORY BOARD NOTES

The Advisory Board met in Bend on May 9th. The weather almost cooperated. Business was completed over lunch in the park just in time to miss the rain.

CHAPTER ARCHIVES

The Advisory Board, under the leadership of Pat Wand, and with the assistance of Perry Morrison, has been considering the importance of preserving and maintaining an archival record of the chapter's activities. Guidelines have been developed that establish appropriate materials to go into the archives and designate persons responsible for collecting the documents. Michael Engle will serve as the first archivist for the chapter, and with the assistance of Pat Wand, will set up the appropriate files.

NEWSLETTER EDITOR

The Advisory Board has approved an amendment to the by-laws that would create a position of newsletter editor separate from the Advisory Board. The current newsletter is appointed from within the Advisory Board. Under the new amendment, the editor would be appointed by the President and would be a non-voting member of the Advisory Board. The amendment will be printed in the next newsletter and voted on in the annual election. Anyone interested in serving as newsletter editor should contact Nancy Powell at the OSU library. (754-3330)

MENUCHA CONFERENCE: COMPUTER LITERACY AND THE HUMAN SPIRIT

Plans for the Menucha Conference are well under way. Several committees have been formed to work on various aspects of the conference. Committee chair will be seeking committee members from outside the Advisory Board to help with the committee's tasks. If you are interested in being an active participant in conference planning, contact one of the following:

- Entertainment - Faye Powell, Portland State (229-4551)
- Local Arrangements - Maureen Seaman, Oregon Graduate Center (645-1121)
- Packets & Registration - Isabel Stirling, UO Science Library (686-3075)

VICE-PRESIDENT

Terry Ann Soohoo, Portland State University, has been appointed by the Advisory Board to the position of vice-president to serve in the absence of a president-elect. With the resignation of Rebecca Thompson, Nancy Powell has assumed the position of president, leaving a vacancy in the position of president-elect. Terry is a past member of the Advisory Board and has served as the chapter's newsletter editor.

**** DUPSBBD.SHGH .**

Sacred Heart Library in Eugene, Oregon has changed the way we name our duplicates bulletin board on the CLASS/Ontyme Electronic Mail System. There are special advantages to this name change. Our new file name is **** DUPSBBD.SHGH**. This format will allow CLASS users to give the command **:LIST ** DUPSBBD.ALL** which allows the user to see which boards have been updated without scanning all the shared files. If the user wishes to scan all the duplicates bulletin boards on the shared files give the command **:READ ** DUPSBBD.ALL** . We think this revision in naming makes a lot of sense and will make the use of bulletin boards easier for everyone. OCCLA FALL CONFERENCE

TO: Oregon Community College Librarians

Just to show you what good sports we are up here, we at Blue Mountain Community College accept the responsibility for chairing the OCCLA for 1986-87.

Since we have cheerfully accepted the responsibility, we want you to just as cheerfully mark on your calendars (and plan to attend) the fall conference to be held October 17 and 18 at Blue Mountain Community College. Conference will start October 17 at 1:00 p.m. Further details will follow in the fall.

We would like to have the Fall Conference be rather substantive in nature, have only one newsletter (that to be scheduled for Winter) and meet with Washington Community College Librarians during the Pure Gold Conference II to be held Spring 1987. That will free us all for the continuing busy schedule of meetings we are all trying to meet.

Thanks for your cooperation! More in the Fall. Do have a great summer!
